Staff (2 of 2)

Each Medical Team consists of 2 Case Managers, 1 Platoon Sergeant, and 1 Administrative/ PAD specialist

-Case Manager monitors the medical care and treatment plan of the soldier

-Platoon Sergeant determines duty location, maintains accountability of the soldier

-Administrative/PAD Specialist provides administrative support for case managers and platoon sergeants

Concept of Operations (1 of 4)

- **Flow of Soldiers:**

1. **PPP**
2. **CBHCO (In-process)**
3. **Further Attachment to Duty Location**
4. **Complete Medical Treatment/MEB/PEB**
5. **CBHCO (Out-process/REFRAD)**

Concept of Operations (2 of 4)

- **Orders:**

1. **Medical Retention Processing Orders (MRP)**
   (Processed by Human Resources Command-Only Soldiers ISO OIF/OEF/ONE are authorized MRP Orders)

2. **Temporary Change of Station Orders (TCS)**
   (179 Day Orders Processed by PPP-Attached to CBHCO)

Concept of Operations (3 of 4)

Communication:

- **Communication and coordination with all Power Projection Platforms (PPP's) before accepting soldiers into the CA Medical CBHCO FWD**

Agreement:

- **Memorandum of Agreement (MOA) is established with the Western Regional Medical Command.**

Concept of Operations (4 of 4)

- **We accept ARNG and USAR Soldiers returning from OIF/OEF.**
- **Acceptance is based on selection criteria.**
- **Unit coordination-Duty location required prior to soldier leaving PPP.**

Selection Criteria (1 of 2)

- **Unable to perform normal military duties in their MOS/AOC even within the confines of a limited duty profile**
- **Unable to return to duty within 60 days**
- **Volunteer for participation in the CBHCO Program Home of Record in California**
- **Provide own transportation to and from medical appointments and place of duty**

Selection Criteria (2 of 2)

- **Have no legal or administrative holds**
- **Meet medical criteria for inclusion, including working diagnosis and confirmation that appropriate medical care is available within appropriate commuting distance**
- **suitable duty position within the limitations of the profile (Platoon Sergeant)**
- **DOD, VA, or TRICARE treatment must be available within 50 miles of the soldier's HOR (Case Managers)**

In-processing (1 of 2)

1. **Soldier arrives via POV/Commercial Air in Sacramento for 3 days of in-processing.**

2. **In-processing Includes:**
   - **Commander / 1SG Counseling**
   - **Administrative In-Processing (Personnel & Supply)**
   - **Physician--** CBHCO Initial Treatment Plan, LOD, Profile, Medical Assessment
   - **PAD Staff—** Medical Records, etc.
   - **USAR/NG Liaison--** Phase III Deployment Cycle Briefings
   - **Case Manager--** Intake Form, Records Review, Arrange Initial Appointment
   - **Platoon Sergeant--** Telephonic Notification

In-processing (2 of 2)

3. Billeting/Dining Facility provided during in-processing.

4. Soldier is further attached to duty location near their home of record. Soldier will perform duties within his/her profile and in support of an active duty mission.

5. Soldier's primary duty is to attend all required medical appointments on treatment plan.

Out-processing

1. **Coordination with PPP for final DD Form 214 and orders.**

2. **Soldiers will be released from Active Duty from CBHCO.**
